- Assessing Yourself & Others
- Celebrating Success

## Time Keeping

- Managing Time

## Connecting Ideas

- Connecting Ideas & Information
- Connecting Skills & work from elsewhere

# At Llantwit Major School

1. We line up outside the classroom **quietly** & facing the **front**
2. We get equipment out and put bags away **immediately** on entering the classroom
3. We go to our place in the seating plan **immediately** and **stand** behind our chairs
4. We listen in **silence** whenever the teacher talks to the class
5. We **always** raise our hand to ask a question and **always** wait for the teacher before speaking
6. At the end of lessons we stand behind chairs and wait to be dismissed **exactly** as instructed by the teacher.
