

ATTENDANCE

We ask all parents to set the highest expectations for attendance for the term and year ahead.

Our target for your child is a minimum of 97% attendance this year!

On this page will find a KS3 and KS4 table and chart which illustrates the relationship between attendance and achievement at school.

The rewards for good attendance are clear. Pupils are more likely to enjoy school, achieve better results and increased life chances.

If you wish to discuss your child's attendance at any point throughout the year, please contact the School's Attendance Officer (Mrs L Thomas).
